

# Bonds: the next 10 years

## Virtual Global Fixed Income Conference

Wednesday 10 March  
10.30am – 12.00pm CET

- Bond markets have been fantastic places to invest over the past decade but as prices have moved inexorably higher, future returns become less certain
- Why then are record amounts flowing into bond funds and is it really an illiquid market?

### Speakers at the Conference

- Liontrust Global Fixed Income team (David Roberts, Phil Milburn and Donald Phillips) will discuss the challenges facing bond investors: capital preservation, income payments and generating positive real returns
- Panel discussion with some of Europe's leading investors in bond funds
- An analysis of market liquidity with bond traders and market makers

Please join us on Wednesday 10 March for a fascinating morning with the Liontrust Global Fixed Income team and invited speakers.

### TIMINGS:

- 10.30am Presentations start
- 11.40am Q&A
- 12.00pm Close
